

## "The Real Estate Agent's Guide to AB 885"

Professional Geologist Tara Zuroweste presented at Frank Howard Allen Realtor's group in Petaluma on January 27, 2009. Ms. Zuroweste spoke to the crowd of 40 Realtors on the impact the latest draft regulations of AB 885 will have on their clients and their business. Ms. Zuroweste outlined "The Real Estate Agent's Guide to AB 885" and then fielded questions from the crowd. As a major stakeholder, the realtor's group was anxious to know how the draft regulations affect their business and what they could do to make their voices heard. Public comment period ends February 23, 2009.
